GROWERS IN
AMERICA

DUNDEE, ILLINOIS

April 1959

Good morning.....

The winter (in our part of the country's geography) has been one of those "good old-fashioned kind". It's been rough, and long!

Warm, spring days will feel good; give all of us a new spirit, new enthusiasm.'

Springtime has that same beneficial, uplifting want-to-get outdoors affect also upon your and our customers.

WILL YOU BE READY FOR THEM!

Will you be ready, also, for the "planning and planting" that needs to be done NOW, to be doing business in the future Springtimes -- two, three, four years from today!

A good nurseryman must be a PLANNER, and likewise a DO-er. Ask that question of yourself. What is your answer!

If your "planning" is slip-shod, haphazard, there's still time to tighten up and ORDER the nursery stock you need, but do it RIGHT NOW!

Particularly, look over our SPECIAL OFFERS -- they are good deals, and mean savings for you!

Our one purpose at Dundee is to serve you well, serve you so well that you'll be flabbergastingly happy.

Do, please, give us that opportunity.

Cordially yours,

D. HILL NURSERY CO.
Dundee, Illinois
